*Developed by a cabinetmaker, Fastcap is a self-adhesive cover for screw, nail and line boring holes, miss-cut hinge pockets and installation cutouts. Fastcap does not depend on the screw for proper installation or require additional gluing or caulking, saving you valuable time and costly labor. Fastcap is used by cabinet installers, electricians, plumbers, furniture manufacturers, etc.*

*Fastcap is available in a wide variety of standard PVC colors and a variety of real woods that can be sanded, stained and finished. Fastcap is also available in a variety of pre-finished real woods.*

*Call today for the entire 37-page catalogue which includes, tools, adhesive systems, safety equipment, hardware and much, much more!*
