The Panelyte collection features over 250 colors including solids, woodgrains, metals, pearlescent, graphic and abstract patterned laminates.

Since design options are limitless, Panelyte Laminates are the natural choice for many diversified applications.

Horizontal Laminates

For counter tops, tables, desks and other furniture, case goods and commercial fixtures.

Vertical Laminates

For kitchen cabinets, doors, interior doors and wall panels.

Cabinet Liner

This thin laminate liner is offered mainly in White, Almond, Light Grey, Black and Champagne. Different finishes are available for the inner lining.

Backers

A thin phenolic backer is used for balance and as a moisture barrier. Black and Brown colors only.

Also available:

- Static Dissipative Laminates (SDL)
- Dry Erase Marker Board and Chalkboard Laminates
- Chemical Resistant Laminate
- Compact Laminates (Thick Phenolic Laminates) 1/8" up to 1"

Samples are available by the chip, chain set, or wall board.
